おいしい神しちま
TODAY'S FEATURE IS THE JAPANESE MUD LOBSTER.
ザリガニのような謎の生物はいったい!?
RIGHT.
……

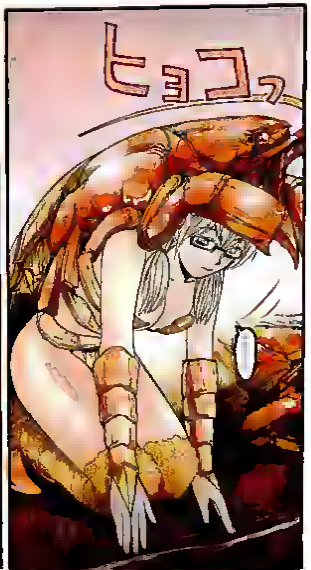
GREETINGS TO THE READERS OF OISHII KAMISHA-MA.
FU FU
ARE YOU SUR-PRISED TO FIND THAT A GODDESS DWELLS HERE?



ヒョコっ

*Ma-jaku = species of mud lobster
YAY ♡
MA-JAKU MUD LOBSTERS ARE NOT VERY COMMON DUE TO THEIR LIMITED DISTRIBUTION.
AND THE GODDESS WHICH DWELLS IN THE MA-JAKU LOBSTER DISH IS NONE OTHER THAN THE GODDESS, YUMIKO.
THEY ARE CAUGHT ON THE TIDAL FLATS OF THE ARIAKE SEA IN ARAO IN THE KUMAMOTO PREFECTURE ...

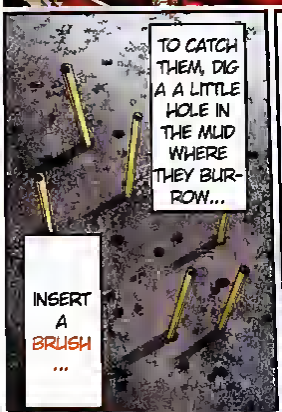
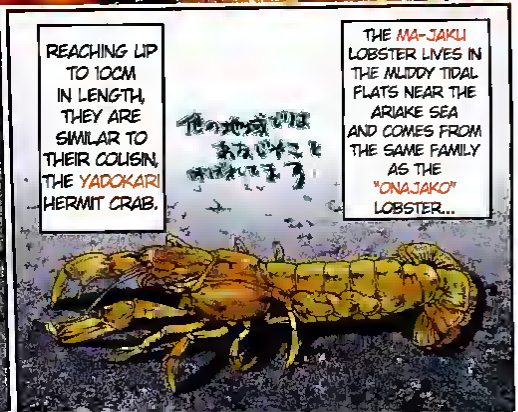
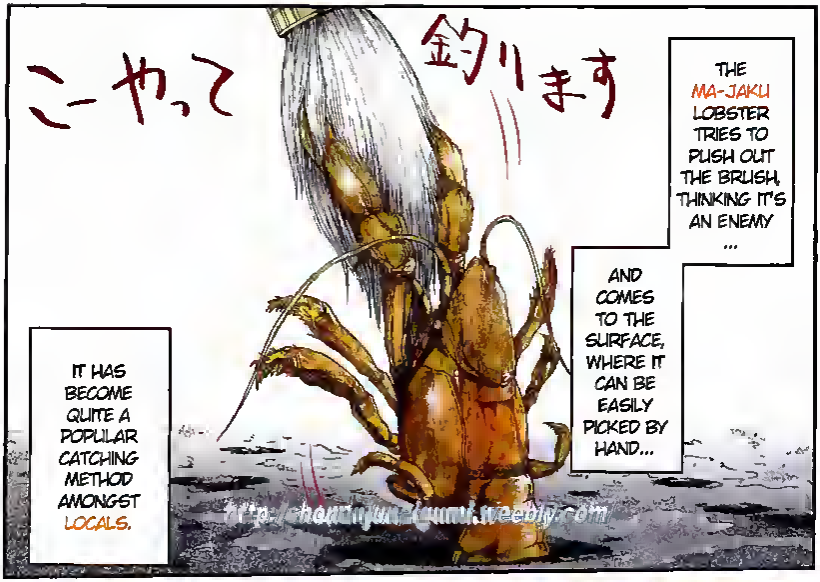
CHAPTER 07: MA-JAKU
藤沢とおる
TORU FUJISAWA PRESENTS



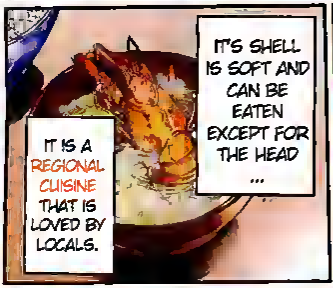
TO CATCH THEM, DIG A A LITTLE HOLE IN THE MUD WHERE THEY BURROW...
INSERT A BRUSH ...



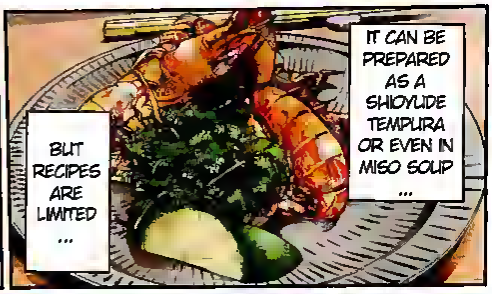
REACHING UP TO 10CM IN LENGTH, THEY ARE SIMILAR TO THEIR COUSIN, THE YADOKARI HERMIT CRAB.
THE MA-JAKU LOBSTER LIVES IN THE MUDDY TIDAL FLATS NEAR THE ARIAKE SEA AND COMES FROM THE SAME FAMILY AS THE "ONAJAKO" LOBSTER...



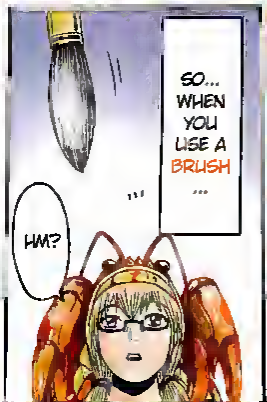
こーやって
釣ります
THE MA-JAKU LOBSTER TRIES TO PUSH OUT THE BRUSH, THINKING IT'S AN ENEMY ...
AND COMES TO THE SURFACE, WHERE IT CAN BE EASILY PICKED BY HAND...
IT HAS BECOME QUITE A POPULAR CATCHING METHOD AMONGST LOCALS.



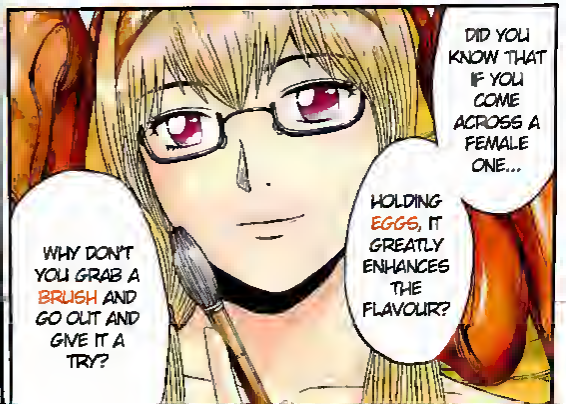
IT'S SHELL IS SOFT AND CAN BE EATEN EXCEPT FOR THE HEAD ...
IT IS A REGIONAL CUISINE THAT IS LOVED BY LOCALS.



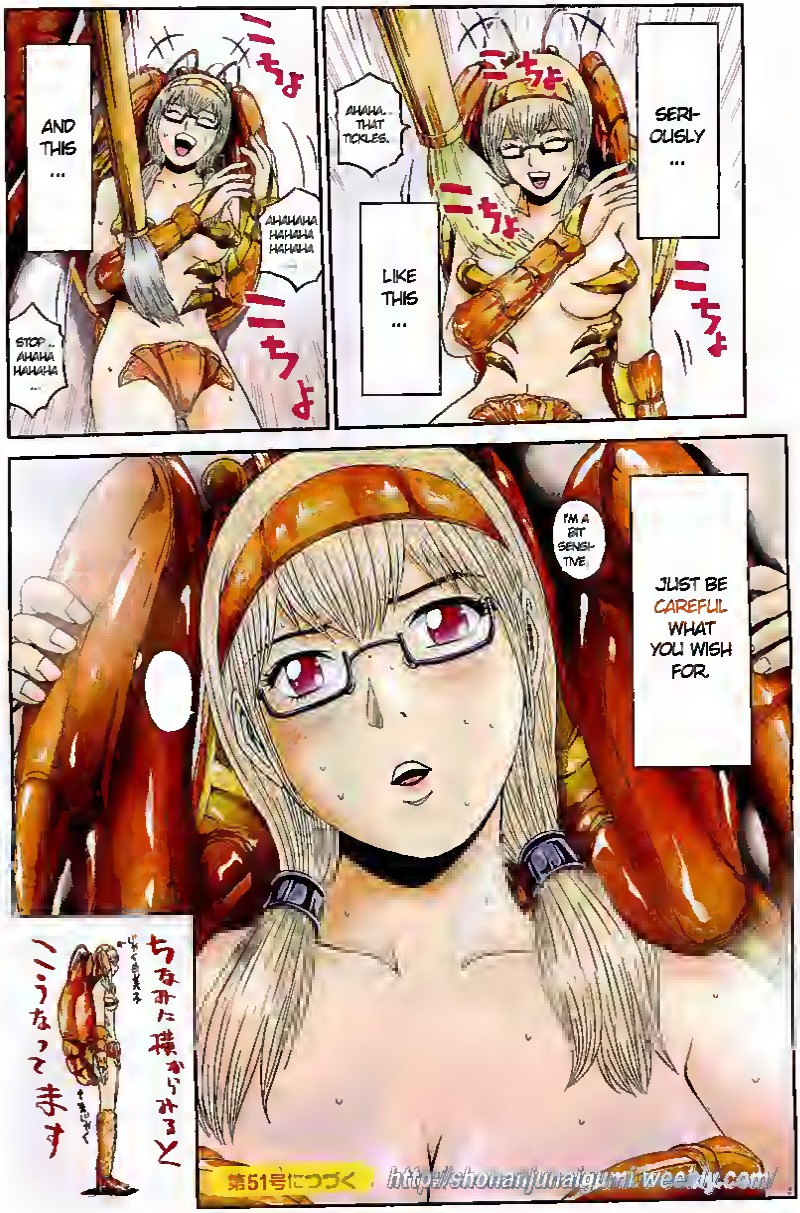
IT CAN BE PREPARED AS A SHIOYUDE TEMPURA OR EVEN IN MISO SOUP ...
BUT RECIPES ARE LIMITED ...



SO... WHEN YOU USE A BRUSH ...
HM?



DID YOU KNOW THAT IF YOU COME ACROSS A FEMALE ONE...
HOLDING EGGS, IT GREATLY ENHANCES THE FLAVOUR?
WHY DON'T YOU GRAB A BRUSH AND GO OUT AND GIVE IT A TRY?



SERIOUSLY ...
こちょ
こちょ
こちょ
AHAHA.. THAT TICKLES.
LIKE THIS ...
AND THIS ...
こちょ
AHAHAHA HAHAHA HAHAHA
STOP... AHAHA HAHAHA ...
I'M A BIT SENSITIVE
JUST BE CAREFUL WHAT YOU WISH FOR.
